We will administer a capstar pill to all pets entering the hospital. Capstar works for 24 hours and will kill any fleas on your pet or that may come in contact with your pet. The cost for this is \$6.00. Please initial here \_\_\_\_\_

I am the owner or agent for the above described animal and have the authority to execute this consent and authorization of the above named surgery(s).

I understand that during the performance of the procedure(s), unforeseen conditions may be revealed that necessitate an extension of the foregoing procedure(s), or even different procedure(s), than those set forth previously. I hereby consent and authorize the performance of such procedure(s) as necessary and desirable in the exercise of the veterinarian's professional judgment. I have been advised of the nature of the procedure(s), as well as the risks involved, and also realize that results cannot be guaranteed.

I additionally authorize the use of appropriate anesthesia, pathologist examination of excised tissue as deemed appropriate by the veterinarian, and the administration of other medications, and understand that hospital staff will be utilized as deemed necessary by the veterinarian. I have read and understand this authorization and consent.
